## Warranty Program Approved

### Twisted Pair

### Fiber Optic

*Corning does not offer warranty program approvals, but instead provides fiber testing requirements for their cabling system, of which the AEM TestPro is compliant.*

This is a dynamic listing of approvals, and last updated July 2021.

If you are looking for approval status for a manufacturer not listed, please contact us at [customer@aem-test.com](mailto:customer@aem-test.com).
